
Appendix 3.21. Architect caretakers comment on FZ Screens

Date: 09/10/15

Re: 60 – 70 Bournemouth Street

Bundeena
NSW, 2230

As the Creative Director of ArchiBlox, it is in my opinion that the particular Fire Protection shutter by TBA Textiles (Firefly) would not be at any detriment to the overall design of the residence.

My opinion was to have the windows match the external screens, which the client has selected to include.

James Kazalac

Creative Director (Architect)
