Dear [REDACTED]

Bundeena Coast Eco-lodge

Thank you for your letter dated 21 June 2017.

We have reviewed the wording of the OEH information that accompanied the Review of Environmental Factors (REF) for public consultation.

The information incorrectly referred to the eco-tourism development in Bundeena, as having been approved by the NSW Land and Environment Court.

Despite there being no legal obligation to, we have decided to undertake an additional period of public consultation and re-exhibit the REF provided by the applicant, RVA Australia Pty Ltd. Previous submissions will be considered as well as any additional submissions made during this period of community engagement.

A decision will then be made on the access application in accordance with the requirements of s111 of the *Environmental Planning and Assessment Act 1979* and s153C of the *National Parks and Wildlife Act 1974*.

Yours sincerely
