Re: **LP/03/704635**

I support E2 Environmental Conservation zoning for the former Scout land (60-70 Bournemouth St, Bundeena), the Council's bushland (10-40 Sussex St, Bundeena) and the unmade Sussex St and Bournemouth St road reserve bushland.

I support the removal of "recreation camp" as a permissible use for the former Scout land. I do not support "eco-tourism facility" as a permissible use for this land.

I support the acquisition of these lands for addition to the Royal National Park.
